

Appendix D: Member Community Review Form

As part of the credit application for the Stormwater Quantity Credit (Peak Flow Credit only), applicants may submit this verification form, filled out and signed by the member community engineer. This form may be submitted in lieu of a stormwater management plan with calculations for stormwater runoff flows into and through all SCMs.

1. Member Community:	2. Engineer Name (printed):
3. Title:	4. Department:
5. Phone Number:	6. Email Address:
<p>I hereby certify that the Stormwater Control Measure(s) covered in this application meet the requirements for control of stormwater peak flow rate as defined by the:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Ohio Critical Storm Method <input type="checkbox"/> Member Community Detention Standards as required by Community Stormwater Management Code in place at the time of construction 	
7. Signature:	8. Date:
