**Legend**

- F (Full)            The Cuyahoga County Sanitary Engineer maintains the entire sewer system in this suburb
- P (Partial)        The Cuyahoga County Sanitary Engineer maintains only those areas marked with an X in that suburb
- O.R.                 On Request Only

For the City of Cleveland and communities not listed above, maintenance is done by the local Sewer Maintenance Department or Engineering Office of that city. Some communities outsource sewer maintenance activities to private contractors.
