LISTING OF PROPOSED SUBCONTRACTORS

Set forth on the following page(s) are the name, location of principal place of business, type of services, components of work and proposed amount of subcontract value for each subcontractor (and whether MBE/WBE/SBE/DBE) who will perform work or labor or render service, as listed, to the Bidder under the Contract Documents for which this Bid Booklet is submitted, where the portion of the work which will be performed by each subcontractor exceeds \$15,000.

The Contract is subject to the NEORS D MBE/WBE/SBE Business Opportunity Program policies and goals and USEPA DBE (WBE/MBE) Utilization program goals as detailed elsewhere in the Contract Documents. All of the work set forth in the Listing of Proposed Subcontractors Table that Bidder intends to utilize toward the MBW/WBE/SBE/DBE goals shall be part of the work making up the Base Bid Amount as indicated on the Bid Form.

Bidder's compliance with the percentage goals for MBE/WBE/SBE/DBE as set forth elsewhere in the Contract Documents is based on the Unofficial Total Bid Amount as indicated on the Bid Form.

The Bidder understands that if it fails to specify a subcontractor for any portion of the work to be performed under the Contract, it shall be deemed to have agreed to perform such portion with its own forces.

The Bidder must also complete the applicable MBE/WBE/SBE/DBE Data Sheets for those subcontractors.

NOTE: Execution of the Contract by the Northeast Ohio Regional Sewer District will constitute the consent of the Northeast Ohio Regional Sewer District contemplated by the General Terms and Conditions to the Agreement between the Owner and Contractor, with regard to the list of proposed subcontractors herein submitted. Any proposed substitution or changes must be submitted in writing to the District for approval prior to making any such substitution or changes. Any changes affecting the MBE/WBE/SBE/DBE subcontractors listed in this section require notification to the District's Contract Compliance Office, the submission and approval by the District of a revised Subcontractor Utilization Plan.

INSTRUCTIONS FOR DATA SHEETS 1, 1a, 2 AND 3

**(DO NOT WRITE ON THE BACKSIDE OF ANY
FORMS – PLEASE MAKE AS MANY COPIES AS NECESSARY)**

DATA SHEET 1: Prime and First Tier Subcontractor Identification

The Contractor must return this form, fully completed and ***signed***, by both the Contractor and the MBE/WBE/SBE subcontractor. The Contractor may provide the District with fax and e-mail signatures of the MBE/WBE/SBE subcontractors in lieu of original signatures.

DATA SHEET 1a: 2nd Tier MBE/WBE or SBE Participation Plan

If the Contractor has subcontractors (1st Tier) that contract with MBE/WBE/SBE subcontractors then the Contractor must return this form, fully completed and ***signed***, by both the 1st Tier subcontractor and the 2nd Tier MBE/WBE/SBE subcontractor. The Contractor may provide the District with fax and e-mail signatures of the subcontractors in lieu of original signatures.

DATA SHEET 2: Joint Venture Identification

If the Contractor is a Joint Venture that includes MBE/WBE/SBE partners then the Contractor must return this form, fully completed and ***signed***, by all partners of the Joint Venture.

DATA SHEET 3: Certified Subcontractor Declination Summary

The Contractor must return this form, fully completed and ***signed***, by the Contractor. The data provided by the Contractor in Data Sheet 3 will be used by the District for data collection purposes and in determining whether the Contractor has made a good faith effort in obtaining MBE/WBE/SBE participation.

Good Faith Efforts Checklist

When the Contractor will not meet the MBE/WBE/SBE goal established by the District, the Contractor must check all boxes on the Good Faith Efforts Checklist, demonstrating the good faith efforts made. The Contractor must further provide all supporting documentation of such good faith efforts.

Good Faith Efforts Checklist

The following must be exercised and documented to demonstrate that a good faith effort has been made to reach agreements with MBE /WBE and SBE certified subcontractors.

1. ☒ Has the Bidder completed and timely submitted all District-required Good Faith Effort forms, including any affidavits, Data Sheets and certified subcontractor utilization plans that the District may require?
2. ☒ Has the Bidder secured documentation of all contacts with and responses of certified subcontractor (ex. telephone, e-mail, fax, etc.) regarding the solicitation of certified subcontractors, including names, dates, work scope and reasons for failure to reach an agreement?
3. ☒ Has the Bidder identified portions of the project capable of being performed by certified subcontractor(s) and, where appropriate, break out work items into economically feasible work packages to facilitate participation?
4. ☒ Has the Bidder provided documentation of three solicitations of certified subcontractors for work packages identified in item 3 above through reasonable means, such as written solicitations?
5. ☒ Did the Bidder contact the District's Office of Contract Compliance for assistance when experiencing difficulty identifying subcontracting opportunities or available certified subcontractors?

The following are additional evidence the Bidder may submit in order to demonstrate that a good faith effort has been made.

6. ☒ Did the Bidder demonstrate that sufficient time was provided to allow certified firms to respond to solicitations?
7. ☒ Did the Bidder demonstrate that it responded in a timely manner to the questions from certified subcontractor(s) regarding the solicitations?
8. ☒ Did the Bidder demonstrate timely and adequate provisions of information to certified firm(s) regarding the plans, specification and requirements of the project?
9. ☒ Did the Bidder establish schedules that encourage participation by certified firm?

Northeast Ohio Regional Sewer District
Southerly WWTP 2nd Stage Settling Improvements
Bid Date: 07/31/18
Bid Time: 2:00 PM

Re: Good Faith Efforts Documentation

Enclosed you will find proof of Shook Construction Co.'s Good Faith Efforts taken to increase MBE/WBE/SBE/DBE participation on the bid for the Southerly WWTP 2nd Stage Settling Improvements project for the Northeast Ohio Regional Sewer District. The items included are as follows:

- Downloaded current NEORS D Business Opportunity Program Certified Directory on 06/28/18.
- Diversity Solicitation List – created using NEORS D, MBE & EDGE search results & listings of DBE subcontractors contacted or who have quoted to us on previous projects. This list also contains notes with dates of follow-up contact attempts via telephone or email or dates when scopes/quotes were received.
- Email correspondence to local MBE, WBE, DBE affiliations requesting assistance in reaching out to local subcontractors for participation, including a full listing of agency information.
- Copy of email dated 06/29/18 of original solicitation with attachments of Shook Invitation to Bid form, EPA Form 6100-3 and Data Sheets 1 & 1a. Invitation contains breakdown of work items contained in project, due date, plan availability and Shook contact information to assist DBE subcontractors.
- Copy of email dated 07/18/18 notifying MBE/WBE/SBE/DBE subcontractors and suppliers of release of Addendum 3 and extension of bid date to July 31, 2018.
- Copy of our Bid Day Tracking spreadsheet showing quotes received from MBE/WBE/SBE/DBE subcontractors and suppliers through the bid period. All MBE, WBE and SBE subcontractors and suppliers used in our bid have been highlighted green.

Shook Construction reviews all quotes fairly, will negotiate terms in good faith, and will continue to attempt to increase MBE/WBE/SBE utilization on the project as we enter into the post-bid interview process.

[Data Sheet 1a.pdf](#)

Shook Construction Co. is bidding as a Prime Contractor to the Northeast Ohio Regional Sewer District (NEORSD) on the Southerly Second Stage Settling Improvements project in Cleveland, OH. The work generally consists of site improvements, groundwater dewatering, flow control and metering modifications, rehabilitation of final settling tanks, replacement of sludge collection equipment and pumping systems, blower replacement, air compressor replacement, mixing and chemical equipment, valve replacement and rehabilitation, piping modifications, sump pumps, architectural building recladding, HVAC and plumbing system replacement and appurtenant electrical and instrumentation equipment to provide complete and operational systems. **Project is tax exempt and Davis Bacon prevailing wage rates apply.**

This project bids on July 24, 2018 at 2:00 PM, but in order to analyze all quotes and assemble our bid submittal, **we are requesting quotes by 10:00AM**. Also, due to the project funding requirements, MBE/WBE/DBE/ and SBE subcontractors and suppliers must submit a completed Data Sheet 1 (or 1a if applicable) AND EPA Form 6100-3 with their quote (or earlier).

I am writing to ask for your assistance in our efforts to encourage bidder participation of certified DBE, MBE, WBE & SBE/SBRA subcontractors and suppliers who might be capable and interested in submitting a bid for a portion of this project. Below is a listing of items in the Scope of Work:

General Conditions, Demolition, Asbestos Abatement, Hauling, Concrete Repair, Sand & Gravel Supply, Ready Mix Supply, Concrete Formwork, Reinforcing Steel, Cast-In-Place Concrete, Masonry, Structural Steel, Miscellaneous Metal Fabrications, Railings, Gratings, Access Hatch Covers, Carpentry, FRP Fabrications, FRP Weirs, Waterproofing/Dampproofing, Traffic Coating, Water Repellents, Fluid-Applied Air Barriers, Insulated Metal Wall Panels, SBS Modified Bituminous Roofing, Firestopping, Caulking & Joint Sealants, Expansion Control, Doors/Frames/Hardware, Overhead Coiling Doors, Aluminum Curtainwalls & Glazing, Louvers & Dampers, Acoustical Ceilings, Paint & Coatings, Signage, Fire Extinguishers & Life Preservers, Roller Window Shades, Furniture (Rolling Metal Ladder), Plumbing, HVAC, Electrical, Excavation & Backfill, Erosion Control, Excavation Support System, Dewatering, Micropiles, Paving, Concrete Curbs/Gutters/Drives/Walks, Lawns & Grasses, Site Utilities, Process Piping/Valves/Gates, Pipe Supports, Mechanical Insulation, Instrumentation & Controls, FRP Tanks, Process Gas & Liquid Handling Equipment and Treatment Plant Equipment.

While Shook Construction Co. does send project information to many firms directly, I have attached our invitation letter that can be forwarded to any interested parties affiliated with your organization

giving them information on how to obtain/review/download bid documents. For their convenience, I have also attached Data Sheets 1 & 1a and EPA Form 6100-3 that must be submitted with their bid (prior to bid day is actually preferred). Shook Construction can provide assistance with bonding and insurance requirements, including alternatives to bonding and/or insurance requirements for subcontractors if needed.

If there are any questions regarding this invitation to bid, please feel free to contact me.

Thank you,

Please see attached invitation to bid for the Northeast Ohio Regional Sewer District (NEORSD) Southerly Second Stage Settling Improvements project in Cleveland, OH. The work generally consists of site improvements, groundwater dewatering, flow control and metering modifications, rehabilitation of final settling tanks, replacement of sludge collection equipment and pumping systems, blower replacement, air compressor replacement, mixing and chemical equipment, valve replacement and rehabilitation, piping modifications, sump pumps, architectural building recladding, HVAC and plumbing system replacement and appurtenant electrical and instrumentation equipment to provide complete and operational systems. A complete breakdown of scope items can be found on the attached invitation. Project is tax exempt and Davis Bacon prevailing wage rates apply.

This project bids on July 24, 2018 at 2:00 PM, but in order to analyze all quotes and assemble our bid submittal, **we are requesting quotes by 10:00AM.**

Bidding Documents are available for download directly from NEORSD at <https://www.neorsd.org/active-bids-proposals/?bidID=2577> upon registering for a Sharefile account. If you have previously registered and accessed bid documents at NEORSD's ShareFile site, you may be required to update your password, as the password setting requirements have changed.

Please complete and return the attached Potential Bidder Response Form ASAP. In addition, due to the project funding requirements, MBE/WBE/DBE/SBE subcontractors **must submit both the EPA Form 6100-3 AND Data Sheet 1 (or Data Sheet 1a if applicable) with their quote** (submitting forms prior to bid day is preferred). All forms have been attached to this invitation for your convenience. Shook Construction can provide assistance with bonding and insurance requirements, including alternatives to bonding and/or insurance requirements for subcontractors if needed.

Please let us know whether or not you are bidding at your earliest convenience either by response to this email, or by completing the invitation and return to us via email to estimating@shookconstruction.com or by fax at 866-652-7331.

Thanks,

Subject: INVITATION TO BID - DBE: NEORSD Southerly 2nd Stage Settling Improvements - Bids 7/24

Please see attached invitation to bid for the Northeast Ohio Regional Sewer District (NEORSD) Southerly Second Stage Settling Improvements project in Cleveland, OH. The work generally consists of site improvements, groundwater dewatering, flow control and metering modifications, rehabilitation of final settling tanks, replacement of sludge collection equipment and pumping systems, blower replacement, air compressor replacement, mixing and chemical equipment, valve replacement and rehabilitation, piping modifications, sump pumps, architectural building recladding, HVAC and plumbing system replacement and appurtenant electrical and instrumentation equipment to provide complete and operational systems. A complete breakdown of scope items can be found on the attached invitation. Project is tax exempt and Davis Bacon prevailing wage rates apply.

This project bids on July 24, 2018 at 2:00 PM, but in order to analyze all quotes and assemble our bid submittal, **we are requesting quotes by 10:00AM.**

Bidding Documents are available for download directly from NEORSD at <https://www.neorsd.org/active-bids-proposals/?bidID=2577> upon registering for a Sharefile account. If you have previously registered and accessed bid documents at NEORSD's ShareFile site, you may be required to update your password, as the password setting requirements have changed.

Please complete and return the attached Potential Bidder Response Form ASAP. In addition, due to the project funding requirements, MBE/WBE/DBE/SBE subcontractors **must submit both the EPA Form 6100-3 AND Data Sheet 1 (or Data Sheet 1a if applicable) with their quote** (submitting forms prior to bid day is preferred). All forms have been attached to this invitation for your convenience. Shook Construction can provide assistance with bonding and insurance requirements, including alternatives to bonding and/or insurance requirements for subcontractors if needed.

Please let us know whether or not you are bidding at your earliest convenience either by response to

this email, or by completing the invitation and return to us via email to estimating@shookconstruction.com or by fax at 866-652-7331.

Contractor Equal Employment Opportunity Certification

During the performance of this contract, the undersigned agrees as follows:

1. The undersigned will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The undersigned will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The undersigned agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this equal opportunity (federally assisted construction) clause.
2. The undersigned will, in all solicitations or advertisements for employees placed by or on behalf of the undersigned, state the all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
3. The undersigned will send to each labor union or representative of workers, with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representative of the undersigned's commitment under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The undersigned will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The undersigned will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and relevant orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the administering agency of the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the undersigned's non-compliance with the equal opportunity (federally assisted construction) clause of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part, and the undersigned may be declared ineligible for further Government contracts of federally assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No 11246 of September 24, 1965, or by rules, regulations, or order of the Secretary of Labor, or as provided by law.
7. The undersigned will include this equal opportunity (federally assisted construction) clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order No 11246 of September 24, 1965, so that such provision will be binding upon each subcontract or vender. The undersigned will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non compliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor, as a result of such direction by the administering agency the undersigned may request the United States to enter into such litigation to protect the interest of the United States.

AMERICAN IRON AND STEEL ACKNOWLEDGEMENT

The Contractor acknowledges to and for the benefit of the City of Cleveland ("Purchaser") and the State of Ohio (the "State") that it understands the goods and services under this Agreement are being funded with monies made available by the Clean Water State Revolving Fund and/or Drinking Water State Revolving Fund that have statutory requirements commonly known as "American Iron and Steel;" that requires all of the iron and steel products used in the project to be produced in the United States ("American Iron and Steel Requirement") including iron and steel products provided by the Contractor pursuant to this Agreement. The Contractor hereby represents and warrants to and for the benefit of the Purchaser and the State that (a) the Contractor has reviewed and understands the American Iron and Steel Requirement, (b) all of the iron and steel products used in the project will be and/or have been produced in the United States in a manner that complies with the American Iron and Steel Requirement, unless a waiver of the requirement is approved, and (c) the Contractor will provide any further verified information, certification or assurance of compliance with this paragraph, or information necessary to support a waiver of the American Iron and Steel Requirement, as may be requested by the Purchaser or the State. Notwithstanding any other provision of this Agreement, any failure to comply with this paragraph by the Contractor shall permit the Purchaser or State to recover as damages against the Contractor any loss, expense, or cost (including without limitation attorney's fees) incurred by the Purchaser or State resulting from any such failure (including without limitation any impairment or loss of funding, whether in whole or in part, from the State or any damages owed to the State by the Purchaser). While the Contractor has no direct contractual privity with the State, as a lender to the Purchaser for the funding of its project, the Purchaser and the Contractor agree that the State is a third-party beneficiary and neither this paragraph (nor any other provision of this Agreement necessary to give this paragraph force or effect) shall be amended or waived without the prior written consent of the State.
