First Annual MOA Report (2018)

Dear Ms. Tarasiewicz:

In accordance with the requirements of the Section 106 Memorandum of Agreement (MOA) for the Shaker Lakes Dam Rehabilitation project, the Northeast Ohio Regional Sewer District (District) respectfully submits this letter to serve as the first annual report detailing the status of mitigation activities. This project has not yet been awarded to a contractor for construction of the rehabilitation work; therefore, the mitigation activities have not been started.

If you have any questions or require additional information concerning this report, please do not hesitate to contact Sarah Rehner (Senior Environmental Specialist) at 216-881-6600 ext. 6405.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robin Halperin". The signature is fluid and cursive, with a large initial 'R' and 'H'.

Robin Halperin
