Fourth Annual MOA Report (2021)

Dear Ms. Tarasiewicz:

In accordance with the requirements of the Section 106 Memorandum of Agreement (MOA) for the Shaker Lakes Dams Rehabilitation project, the Northeast Ohio Regional Sewer District (District) respectfully submits this letter to serve as the fourth annual report detailing the status of mitigation activities.

The repairs to Lower Shaker Lake Dam were completed in 2019. Repairs to Green Lake were completed in 2020. Design alternatives are being considered for the Upper Shaker Lake site. Mitigation activities will not commence until the design is finalized and a notice to proceed is issued to the contractor. The District is committed to engaging with consulting parties throughout the design process.

If you have any questions or require additional information concerning this report, please contact Sarah Rehner, Senior Environmental Specialist, at 216-881-6600 ext. 6405 or rehners@neorsd.org.

Sincerely,

Sarah B. Andersson
Supervisor of Environmental Compliance
